Daily air, rail and coach services to Dubbo mean you can escape that peak-hour frustration in any way that suits.

Dubbo is just an hour's flight from Sydney or a scenic five-hour drive from the coast that takes you through breath-taking mountains, valleys and sprawling plains. Taking the Dubbo XPT, which has an on-board café, means you can sit back, relax and enjoy the journey.

By Air - Dubbo City Airport is located five kilometres North West of Dubbo on the Mitchell Highway (and is on the way to the site).

Serviced by Regional Express and Eastern Australian Airlines (QantasLink), the Airport provides regional passenger transport services between Dubbo and Sydney with connecting flights available interstate and overseas.

Dubbo City Airport is one of the leading regional airports in Australia with 154 Regular Public Transport (RPT) flights per week operating to and from the Airport, as well as charter flights, general aviation flight training and airfreight operations.

By road - Dubbo is the central hub for all major highways throughout NSW. Major road links are to Brisbane, Melbourne, Adelaide, Canberra, Sydney and Newcastle.

## Climate/Weather

November tends to be warmer in Dubbo with temperatures ranging from 20 to 35 degrees Celsius through the day. On average, early November tends to see temperatures in the low to mid twenties however please be prepared that it could get warmer (or cooler). Drinking water will be provided as well as plenty of shade. Rain is not common this time of the year however stranger things have happened.

Cost - please see the web site

Bookings opened at 12th Night (15th January 2011) and will close on 14th October 2011. Payment will be required with booking to confirm your place - payment facilities will not be available on the day. Payment may be made via direct deposit and details can be obtained from the Steward. Bookings can be made to Katrijn van Delden (Karen Hocking) at [novembercrown2011@gmail.com](mailto:novembercrown2011@gmail.com).
