New Business

Border War 2014

We have had a request from Cornelius Weber, to use Border War 2014 as a trial run to test new arrows being used in America, these arrow do not break and fighters do not have to use arrow mesh, it also enables archers to get into the thick of the fighting. This is being done to encourage more archers to fight in war and to give those archer a better experience.

The idea is that Cornelius and the members of Whyte company will buy and bring into the country the arrow and anyone interested can buy them and have a chance to practice with them leading up to Border War 2014, so on that side of thing we do not have to do a thing.

On our side of things we should start advertising for Border War 2014 early and trying to get as many people to come along as possible.

Concerns, some of the groups concerns include people not wanting to come along because something different is happening and that it might be better to use both kinds of arrows one session done without arrow mesh and the second session done with arrow mesh, giving fighters something to compare.

It has been agree we go ahead with this proposal with the conditions that both arrows are used, this will be sent to Cornelius and we will wait for his reply.

Proposal moved that we go ahead with conditions: Paul Willis
Seconded: John Drewe
All in favour

Applications for Autocrat and Feastocrat for Border War 2014 have opened.

Fridge

Our old fridge at the club rooms is leaking and tripping the fuse, it has been disposed of because it would cost too much to get fixed.

We need to get another fridge as we have food there once a month and we need to do the right thing and have refrigeration. John Drewe has priced new and second hand fridges, the second hand ones range from \$250 and above, we can get a new fridge from Joyce Maynes from about \$399 and at that price we could probably get the extended warranty too. Also with second hand we could be buying someone else's trouble, new we have a warranty.

Moved that we buy a new frdge: Tamsin Walle
Seconded Tracey Sawyer
