Albury Parklet Pod demo

At the invitation of Albury City Council, the Shire was able to put on a demonstration in the heart of the Albury CBD.

Baroness Cairistiona, THL Lowry, THL Gabrielle, and Lady Teneg had a very pleasant day demonstrating the skills of table games, weaving and braiding, calligraphy and illumination. Sadly there were no takers for the embroidery.

Some people came down specially because they had heard about us being there, others were just wandering by and popped their heads in for a look.

It was a nice relaxing 3 hours, meeting some lovely folk.
